# Malaysian contrasts

ABOVE: (TOP) TEA PLANTATION IN THE CAMERON HIGHLANDS, (BELOW LEFT) THE BEAUTIFUL BEACHES AND (RIGHT) THE PETRONAS TWIN TOWERS OF KUALA LUMPUR

Malaysia presents the traveller with a host of contrasting sights. Visit the highrise metropolis of Kuala Lumpur, the hill stations and tea plantations of the Cameron Highlands with their echoes of colonial days and the stunning beaches of the tropical paradise that is Langkawi. Audley's Malaysia specialists have put together a relaxing multi-centre itinerary for a perfect two week break with all arrangements on a private basis. The classy architecture of the Ritz Carlton makes a great base from which to explore Kuala Lumpur for shopping or sightseeing. In the Cameron Highlands we have chosen the charming Lake House Hotel, for a taste of the plantation days of old you can even enjoy afternoon tea with scones. Finally, relax on the beaches of Langkawi at the superb five star Tanjung Rhu Resort – a secluded haven to complete your trip in a truly relaxing style.
