

Kangaroo Island

For first-time visitors to Australia visits to Sydney, Uluru (Ayers Rock) and the Great Barrier Reef are a must but Kangaroo Island, situated off the coast of Adelaide, is fast becoming a popular addition to tours for those wanting to delve further into the wildlife of the country. Lou Payton, one of our Australia specialists, recounts her recent visit to the island.

Remarkable Rocks, Flinders Chase National Park

Kangaroos, Grassdale

Sealions Kissing, Seal Bay

Koala, near Seal Bay
